Factory See next pages

Project Number PRJ0091278

Product IC including capacitor discharge function (ICX)

Model/Type Ref. CAP400DG

Ratings 240V AC, 50-60Hz nominal

Brandname / Trademark

Principal Characteristics

A sample of the product was tested and found to be in conformity with

Safety

EN IEC 62368-1:2024;A11

Validity

This certificate documents conformity with the standards shown, and also applies as license for use of Nemko's name and certification mark. The certificate and license is valid as long as the applicable conditions are complied with, and provided that any changes to the product are notified to Nemko for acceptance prior to implementation.

New standards or amendments to the standards may imply that the product design must be updated and/or that re-testing and re-certification is necessary.

Additional Information

All models may be followed by an additional non-safety-related suffix consisting of alphanumeric characters, with or without a preceding hyphen

Product	IC including capacitor discharge function (ICX)
Variant	1
Model/Type Ref.	SC150xDG
Ratings.	240V AC, 50-60Hz nominal
Brandname / Trademark (if different from page 1)	
Principal Characteristics	'x' can be 1 to 5 indicating no difference in the products construction. Each number will be used to indicate what customer is using this product in the future.
Product	IC including capacitor discharge function (ICX)
Variant	2
Model/Type Ref.	ZN115xDG
Ratings.	240V AC, 50-60Hz nominal
Brandname / Trademark (if different from page 1)	
Principal Characteristics	'x' can be 1 to 5 indicating no difference in the products construction. Each number will be used to indicate part number for one specific customer.
